Keim

Keim is built on trust. Since 1911, we've provided those in our community with the products they need, when they need them. One hundred years later, our commitment to customers like you hasn't changed, but how you receive your products has.

For all in-stock items, we are committed to free next day delivery for phone orders in our local area as defined by the map below.

To make your phone order as easy as possible, please follow these steps while ordering:

1. **Call 330.893.5030** to place your order.
2. When you place your order with a salesperson, it's helpful to have this information:
 - a. Your product list. We organize products by **SKU number**, so be sure to have that information nearby.
 - b. Your **credit or debit card**.
 - c. Your **shipping address**.

If you would like to pick up your order, please schedule a time with us. When you arrive, pull around to the service building on the west (left) side of the store. Just look for the stop sign!

Looking for something that's not in the catalog? Ask us about it. This catalog shows a limited selection of what's available in store. We're happy to check on its availability.
