Our Story

Keim is a fourth-generation, family-owned business. It began in 1911 as a rough lumber mill with just four employees. Today, we've grown to a 50-acre complex with more than 700,000 square feet of retail, office, warehouse, and millwork production space, with more than 500 dedicated employees.

Our goal is to build relationships, provide outstanding services and ensure that our customers always have a great Keim Experience.

Who We Serve

- Contractors
- Woodworkers
- Homeowners

Our Vision

To lead and inspire others to fulfill their dreams and goals.

This is our vision for both employees and customers. For our employees, it means creating a work environment that supports their personal and professional growth. For customers, it means helping to build your dream home, or simply helping to fix a leaky faucet.

Our Mission

To provide exceptional service to our co-workers, customers, and community while honoring our Creator.

Our Values

- Christ-like servant leadership.
- Uncompromising quality.
- Building relationships.

Our Business Strategy

At Keim, we aim to be a “Community Business.” This means that we champion three things:

- Community
- Local Economy
- Creation Care
