"Great quality box cabinets, built to a higher standard"

Every home needs a beautiful kitchen. We, at DutchCreek are here to make that easy. Our highly skilled craftsmen work diligently to create a cabinet that measures up to only the highest standards.

We specialize in building high quality box cabinets to fit your needs. Our time tested building method allows us to create a very durable cabinet at an economical cost. We offer just the right amount of options so you can customize your dream kitchen, yet not too many so it doesn't get confusing.

At DutchCreek we care about our community and environment, all of our parts are sourced from local vendors to help support the local economy. Also in the past 10 years we have helped plant thousands of trees as our way of giving back to the environment. It's just who we are.

Standard Features

- Handcrafted locally
- Cabinets are made of an all wood construction, all plywood is high quality solid wood veneer core
- Assembly includes grooves & dados, assembled with glue, makes a very strong sturdy cabinet
- Drawers are hardwood dovetail drawers, bottoms are dadoed in
- Locally manufactured doors
- 3/4" thick adjustable Shelves
- Blum undermount soft close slides
- Blum concealed soft close hinges
- Finished with a durable Catalyzed Varnish
