SHOWROOM MAP

Here at Keim, our spacious 125,000 square foot showroom could keep you entertained for hours. We hope you'll take the time to explore, but here are few points of interest to get you started! (indicated with a ★ on the map)

- ★ Visit the 500 year old Bubinga Slab from Africa, just inside the **Woodshed**.
- ★ Check out the interactive displays in the **Plumbing Department**
- ★ View the vast selection of overhead lighting in the **Lighting Department**
- ★ Take a walk through our impressive kitchen displays in the **Kitchen Department**
- ★ Visit the Stair display and some of our custom millwork in the **Millwork Department**
- ★ View our decking display near the **Building Materials Desk**
- ★ Browse 135+ species of wood in the expanded **Woodshed** and swing by **The Shop** where demonstrations and classes often take place.
